

## ORGANIZER WORKSHEET

Before creating your campaign on the Carrotmob website, you need to plan your campaign, find a business, and finalize some logistics.

- This worksheet is an **optional guide** to help you prepare the information to create your campaign.
- The next page is a **required agreement** that you need to sign with the business and upload for review.

### Organizing Team:

Who else (if anyone) will be helping to organize this campaign? Roles could include business liaison, publicity, event logistics, etc. Choose one person to edit campaign information on the Carrotmob site.

Resorts World Rentosa, Padio, Community Chest and Weber Shandwick

### Campaign Title:

What do you want the title of your campaign to be? This will appear at the top of the page and other places on the Carrotmob site. Keep it short, and unique to your specific campaign. For example: "K&D Market switches to efficient lights"

RWS Carrot Cause

### Description:

The description is the main place for you to describe your campaign. You may wish to type it up somewhere, rather than write it out on this page. Explain who organized this campaign, why you chose this issue and how you put it all together. After the campaign is over you will describe the results in another section. To see a good example description, visit <http://carrotmob.org/description>

### Topics:

To help us categorize campaigns you will need to tag your campaign with at least one of the following 10 topics (circle one):

Civil Liberties	Climate Change	Environment	Fair Trade	<u>Food</u>
Health/Safety	Human Rights	Jobs/Workplace	Local Economy	Social Justice

There may be some topics we won't allow, so if you want to make sure your topic is OK, contact us before doing lots of work! Think of what other topics you want to add to your campaign to describe it:

Community Philanthropy

### If/Then:

Every campaign needs an "if/then" statement. If the mob does X, then the business does Y. You will agree on this with the business (see next page). Learn more about your options at <http://carrotmob.org/ifthen>

### Photo:

Upload a photo to be featured on your page. It can be a photo of the business, the business owners, the Carrotmob organizing team, or anything else creative you can think of. Horizontal photos will work best (photos will be cropped to 432 x 288 pixels).

---

Everything else will be determined in the agreement with the business. Once you upload the signed agreement and create your page, we will review it and email you when your campaign page is ready.
