CITY of PERTH

Letter of Participation

I hereby agree to be involved in the Carrotmob Perth project 2012.

By signing this Letter of Participation I agree to:

- Allow Carrotmob to perform an environmental assessment of my business.
- Be interviewed for a one-minute video outlining the environmentally sustainable upgrades my business will implement should we win the 'mob'.
- I allow Carrotmob to use this video on the Carrotmob website and other media to promote the event.
- I understand that this is a competition and the winner is decided by the public, who vote for their preferred business via the Carrotmob website.
- Supply Carrotmob with an accurate average revenue figure, which will be used to determine the additional revenue that is raised by the 'mob'.
- If successful, I agree to host the **Carrotmob Perth** event prior to 30 April 2012
- I agree to spend the additional revenue raised by the mob on implementing the changes that are outlined in my pledge prior to 30 June 2012.
- I agree to a follow up interview and environmental assessment after the mob to ensure pledges are honoured and so Carrotmob Perth can report to the City of Perth on the success and achievements of the project.
